ASSENTED-TO MOTION TO CONTINUE STATUS CONFERENCE

The government respectfully moves that this Court continue the status conference currently scheduled for September 21, 2004 to September 28, 2004 or to such other time as is convenient to the Court. As grounds therefor, the United States states that the government needs to reexamine some evidence to facilitate a potential resolution of this matter short of trial and expects to be in a position to do so prior to September 28.

Defendant Ellsworth Roston, through counsel, has expressed his assent both to the allowance of this motion.

Respectfully submitted,

MICHAEL J. SULLIVAN  
United States Attorney
